

HOUSING AND URBAN DEVELOPMENT CORPORATION LIMITED

Public Advocacy Policy

1. INTRODUCTION AND OBJECTIVE

Housing and Urban Development Corporation Limited (herein after referred to as "Company" or "HUDCO") is committed to ensure that its business operations and functions are in line with the applicable laws, regulations and guidelines as specified by the government, regulators and authorities.

HUDCO is committed to responsible public advocacy while engaging with stakeholders. In its capacity, HUDCO plays a key role in supporting various initiatives of the Government of India in the field of affordable housing and infrastructure development.

2. FRAMEWORK

HUDCO endeavours to engage with the government, policy makers, regulators, trade associations and participate in government initiatives, programmes and activities.

HUDCO shall, while participating in any public policy advocacy discussions, ensure consistency & transparency in its public communications, disclosures with the Code of Conduct and the principles as outlined in the relevant regulatory framework.

HUDCO shall ensure that its policy advocacy positions promote fair competition, respect human rights and shall not advocate any policy change which is detrimental to the public or society at large.

3. AMENDMENT

The Chairman & Managing Director may, at any time, amend the policy for effective and operational ease.
